Okey Umeano

Subject Matter Expert

Okey heads Office of the Chief Economist at the Securities & Exchange Commission (SEC), Nigeria. Prior to joining the SEC in 2016 as Head of Risk Management, he spent thirteen years in various roles at the Central Bank of Nigeria(CBN), including helping manage tens of billions of dollars in reserve assets, and macro prudential stress testing, helping ensure financial system stability. He set up and successfully managed a couple of small IT firms for five years before joining the CBN.

In his spare time, he tutors candidates for CFA, FRM, ICAN, and ACCA exams, volunteers at the local society of chartered financial analysts, and writes a monthly column in AB AFR, ACCA's member magazine. Over the years, he has also been a subject matter expert at various trainings, workshops, and seminars around the world.

He holds an MBA, an MSc. in Finance, is an alumnus of the Amsterdam Institute of Finance (AIF), holds the CFA charter, is a fellow of the Association of Chartered Certified Accountants (FCCA), member of the Institute of Chartered Accountants of Nigeria (ICAN) and Chartered Institute of Stockbrokers (CIS), and Financial Risk Manager (FRM). He has also attended short courses at The World Bank Treasury, JP Morgan Asset Management, Bloomberg, Bank for International Settlements (BIS), and the International Monetary Fund (IMF). He is presently pursuing a doctoral degree in finance.

Bim Osunsami

Subject Matter Expert

Bim Osunsami is an alumnus of the prestigious London Guildhall University, London, a fellow of the Association of Chartered & Certified Accountants (ACCA), member of the Institute of Chartered Accountant Nigeria (ICAN) and Institute of Internal Auditors (IIA) in the UK.

Bim is a seasoned Trainer and Speaker, with varied experiences training delegates from various Ministries, Departments & Agencies of Federal Government in Nigeria such as, Office of the Accountant-General of the Federation, Ministry of Power and Ministry of Foreign Affairs. Within the private sector, she has worked in several industries including but not limited to Pharmaceuticals, Construction, Public Sector, Telecommunications and Financial Services. Her varied background includes management, effective customer service delivery, audit, accountancy, corporate governance, financial controls and systems.

As a training consultant she develops and presents personal development and finance programs to Directors and Managers from all industry sectors. Her passion for dissemination and sharing of knowledge has also led her to an educational career at London Southbank University, London; where she presently lectures within the Faculty of Business.

She has participated as a resource person on several IPSAS study tours organised by our consortium and partner organisations. As a key resource person, she has delivered several IPSAS and PFM papers, including PFM Reforms in Nigeria, Status of Adoption of IPSAS in Nigeria and IPSAS implementation challenges, amongst others.

Bayo Adams

Lead Consultant

Bayo is a Management Consultant with over 15 years experience in Business Advisory Services, Financial Advisory and People & Change Management Consulting in both public and private sector.

Bayo led the establishment of a budding Management Consulting firm with focus on Institutional strengthening of the public sector organisation/entities at all tiers of government, through the provisioning of the Public Financial Management (PFM) Advisory, People & Change Management and Process Improvement.

Over the years, he has successfully designed and delivered several training, study tour and other Capacity Development programs for individuals of private and public sector organizations of different levels across the three arms of government.

He facilitated numerous Study Tour programs that allowed Nigerian Civil Servants enjoy the benefit of practically engaging and learning from colleagues in other climes who have successfully implemented or are in the process of implementing some of the intended reforms in Nigeria. Such programs including the interactions with the International Federation of Accountants (IFAC), Chartered Institute of Public Finance & Accountancy (CIPFA) and the Malaysian Government, were instrumental to the successful Programme Management of the IPSAS as a reform in Nigeria.

He has prepared and delivered numerous papers on technical and soft skills for participants of different grade levels locally and international, using the hands-on interactive learning approach deemed most suitable for strengthening problem solving and critical thinking skills.

Bayo is a Finance and Management graduate of the School of Management, Cranfield University, UK; and an alumnus of the Lagos Business School and the Harvard Kennedy School of Government – Public Financial Management Programme. He holds a Certificate in Global Management from the INSEAD School of Business. He is a Fellow of the Institute of Management Consultants and he is an accredited trainer with certification from the Nigeria Centre for Management Development.
