

# FUNDAMENTALS OF AN EFFECTIVE CORPORATE GOVERNANCE PRACTICE

JUNE 21ST-23RD

# PROGRAMME OVERVIEW

"Fundamentals of an Effective Corporate Governance Practice" is an intensive training program designed to delve deep into the tenets of corporate governance, with a particular focus on both public and private sector management. This program aims to provide a comprehensive understanding of corporate governance frameworks, the roles of key actors, the inherent risks and challenges, and the importance of a uniform corporate governance code. It also incorporates an analysis of global trends shaping corporate governance. The course employs a variety of teaching methods, including case studies, interactive discussions, and expert-led sessions.

## TRAINING OBJECTIVES

- To provide a clear understanding of corporate governance frameworks and principles.
- To identify and understand the role of key actors in corporate governance.
- To deepen participants' knowledge of management principles in both the public and private sectors.
- To explore and understand the risks and challenges inherent in corporate governance.
- To highlight the importance and benefits of a uniform corporate governance code.
- To analyze and discuss global trends impacting corporate governance.

## LEARNING OUTCOMES

*Upon completion of the training, participants will be able to:*

- Understand and apply corporate governance frameworks and principles in their organizations.
- Identify key actors in corporate governance and understand their roles and responsibilities.
- Differentiate between public and private sector management practices as they relate to corporate governance.
- Recognize and address the risks and challenges of corporate governance.
- Understand the importance of a uniform corporate governance code and its impact on organizations.
- Analyze global trends in corporate governance and interpret their implications on their organizations

## INTENDED PARTICIPANTS

- Board members and C-suite executives who wish to enhance their understanding of contemporary corporate governance practices.
- Public officials and policymakers who need a solid foundation in corporate governance principles.
- Compliance officers, risk management professionals, and legal advisors

interested in the latest trends and challenges in corporate governance.

- HR professionals and organizational development specialists focusing on governance and regulatory issues.
- Academics and researchers specializing in corporate governance, business management, or related fields.
